www.deccanplast.com

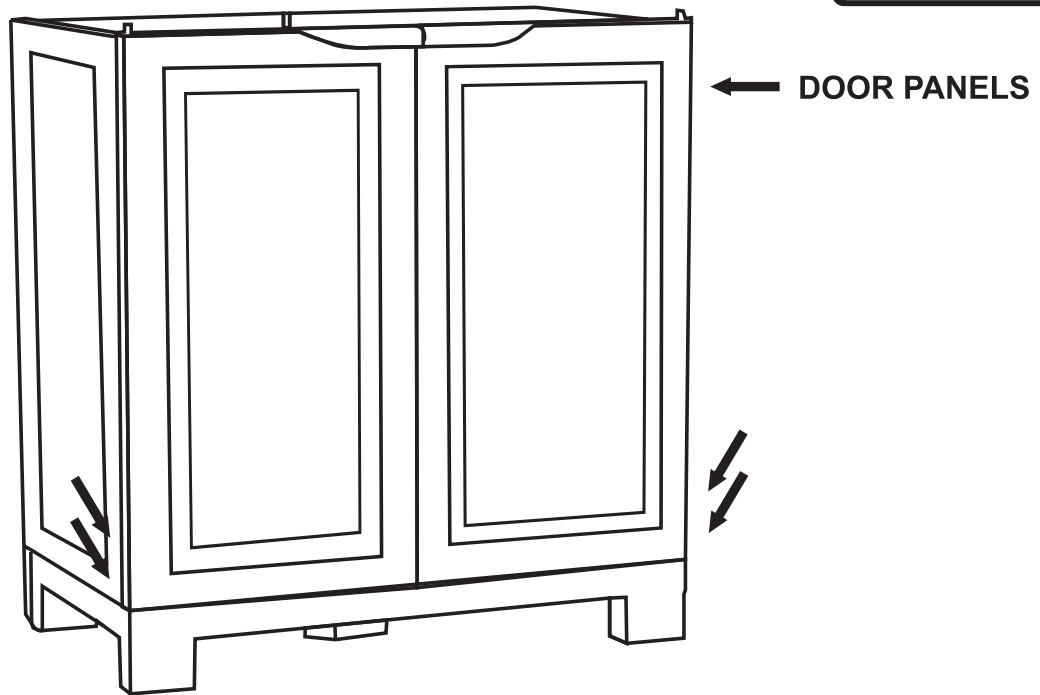

Step 1: First Place the base panel where you want to fix the Cabinet.

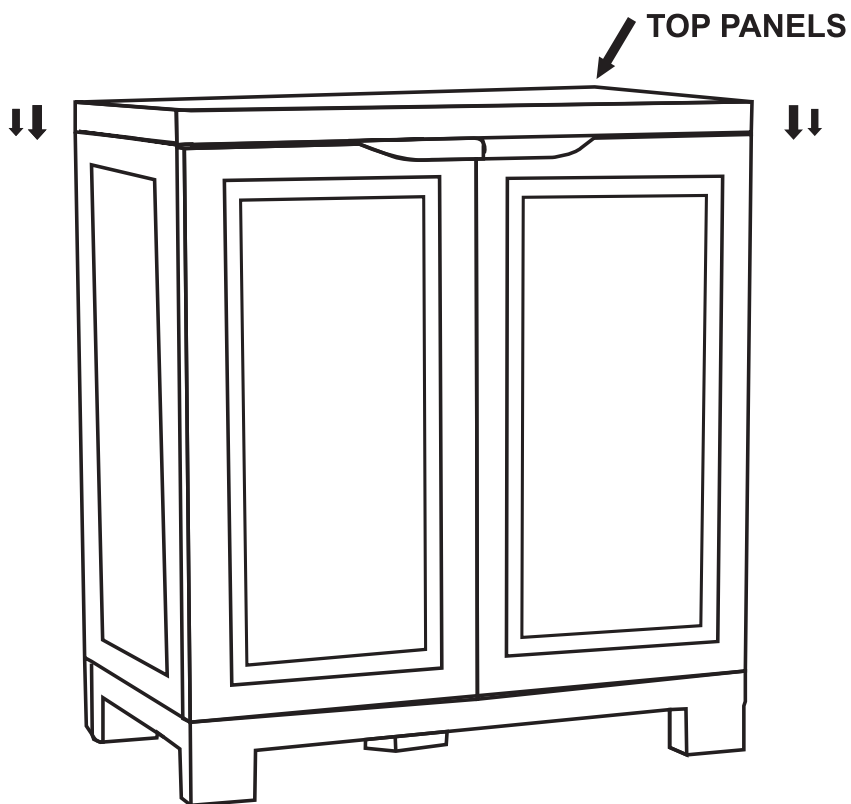

Step 2: Now fix the two back panels in the slots provided on the base panel and push in to lock.

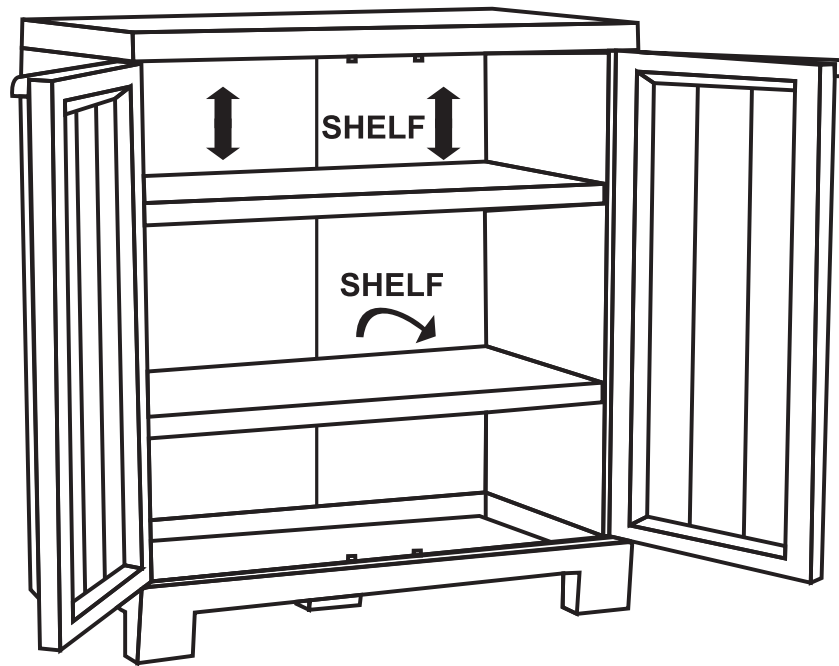

Step 3: Similarly fix the two side panels in the slots provided on the base panel as shown and push in to lock.

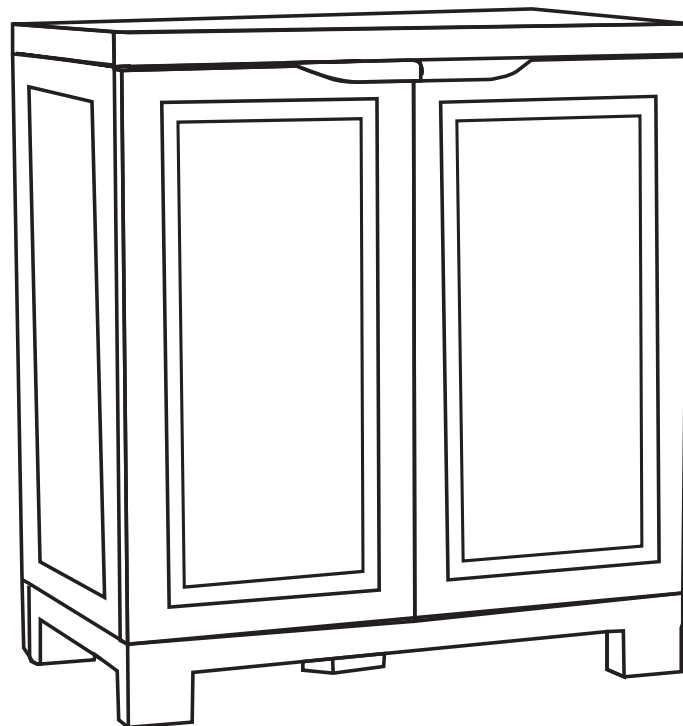

Step 4: Fit the door assembly by locating pivot in holes of Bottom panel.

Step 5: Insert the Top panel by locating pivot in holes of Door, Side and Back panels respectively.

Step 6: Insert shelf by slightly inclining and then gently press by sliding to lock in holes of side panels. The shelf height is adjustable.

Now the Liberty Small Cabinet is ready for use.
