Step 1: First Place the base panel where you want to fix the Cabinet.

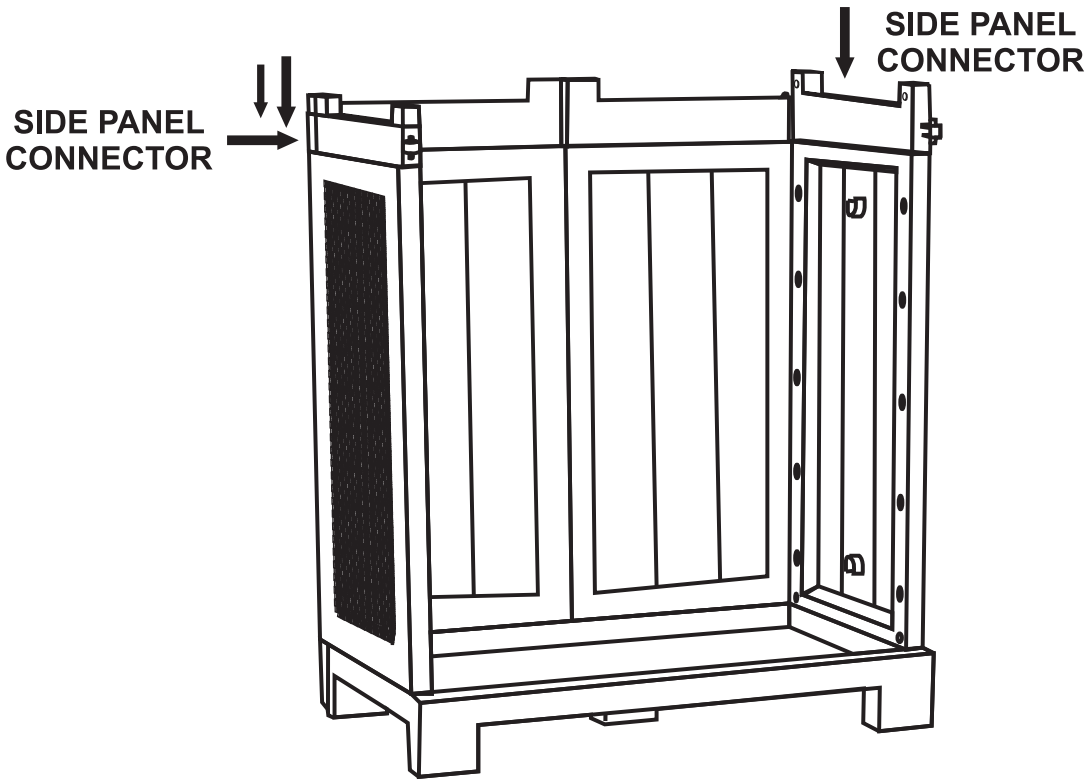

Step 2: Now fix the two back panels in the slots provided on the base panel and push in to lock.

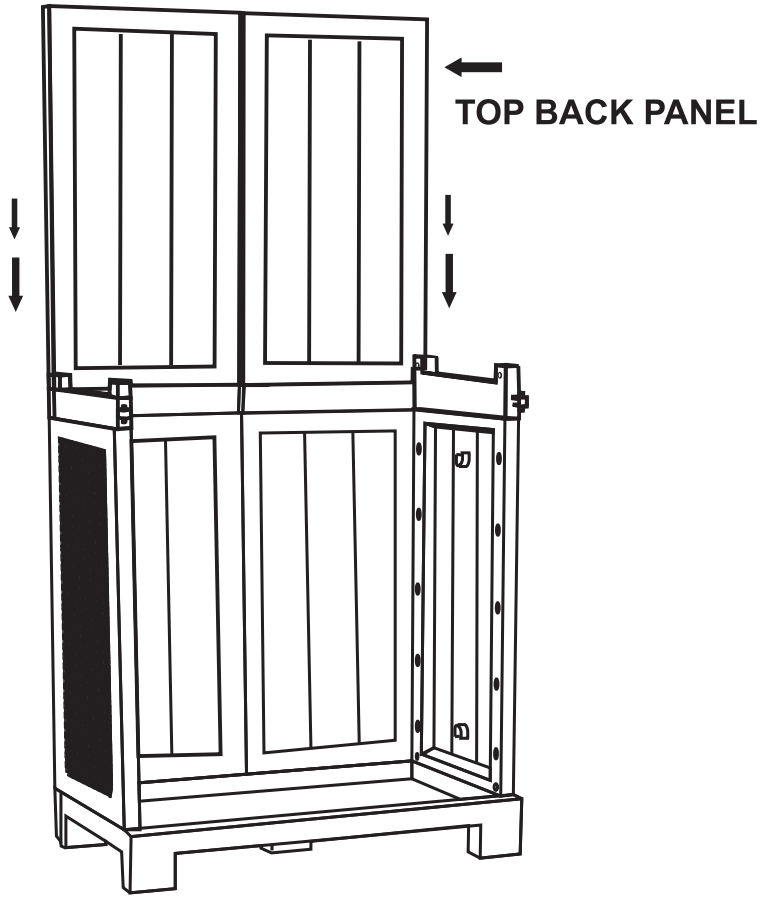

Step 3: Similarly fix the two side panels in the slots provided on the base panel as shown and push in to lock.

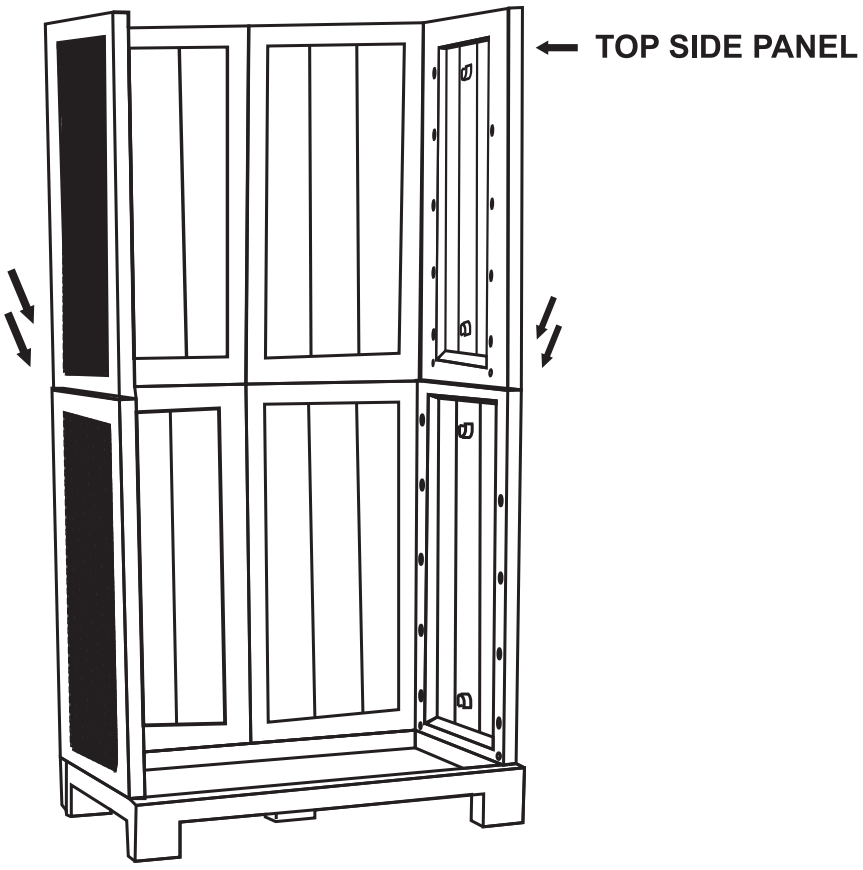

Step 4: Now Fix the Back Panel Connector in the slots provided on the base back panel as shown above.

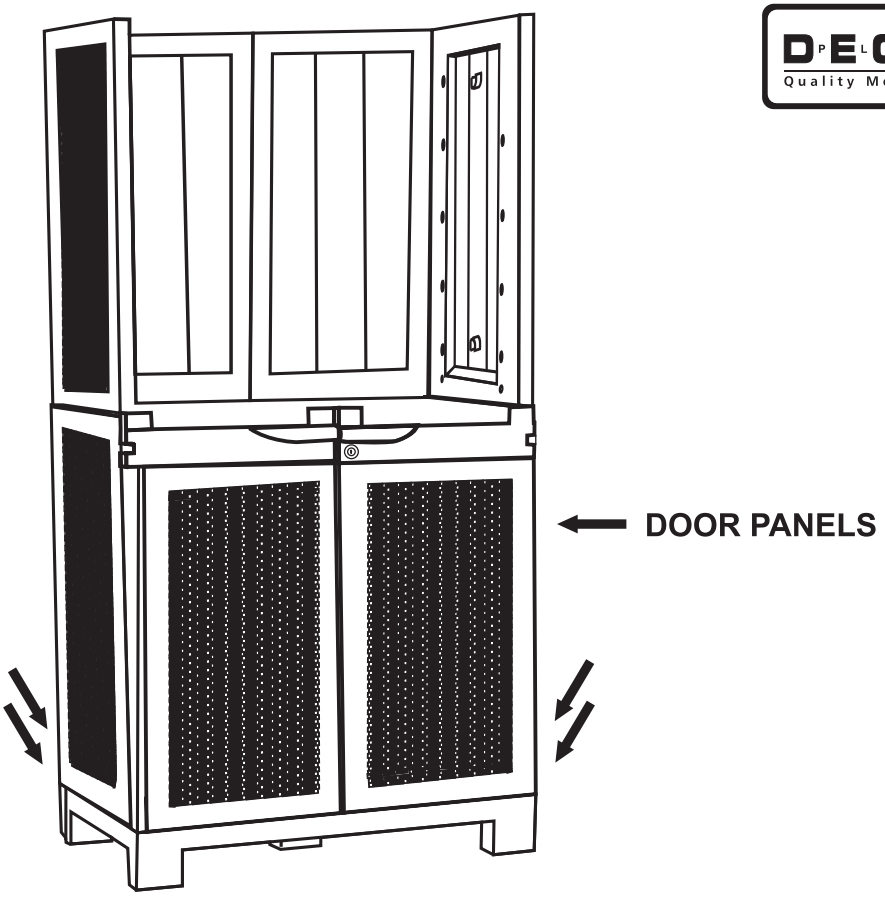

Step 5: Now Fix the Side Panel Connector in the slots provided on the base side panel as shown above.

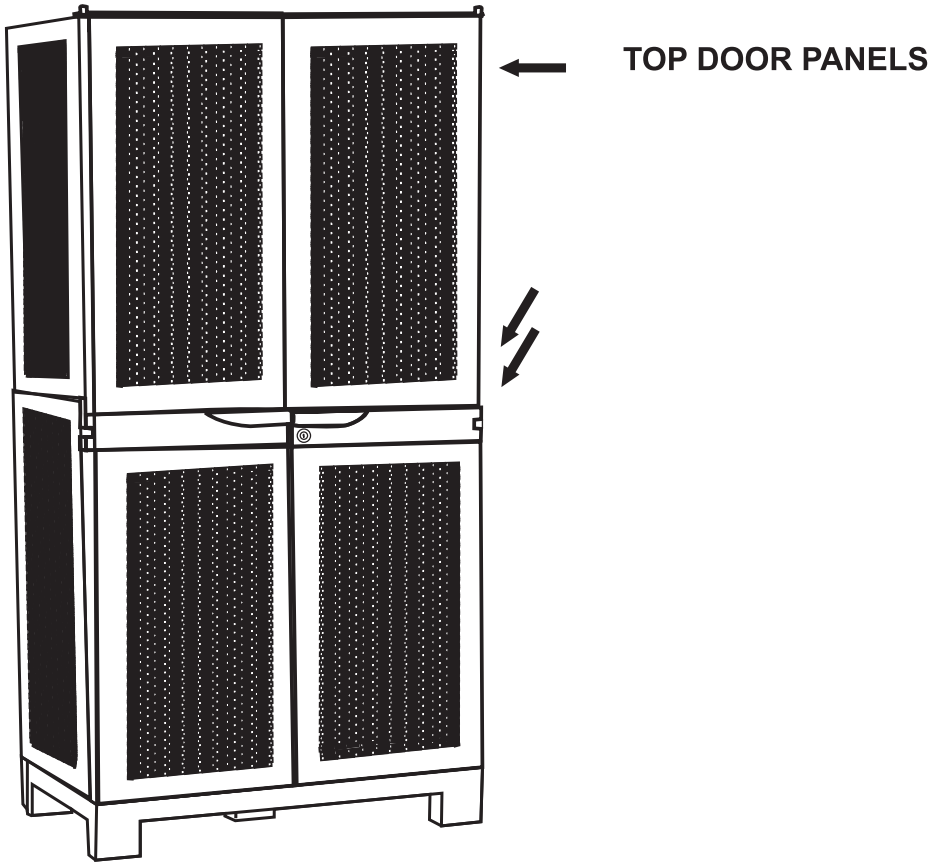

Step 6: Insert the top Back panels to the Connector and push the panels downwards.

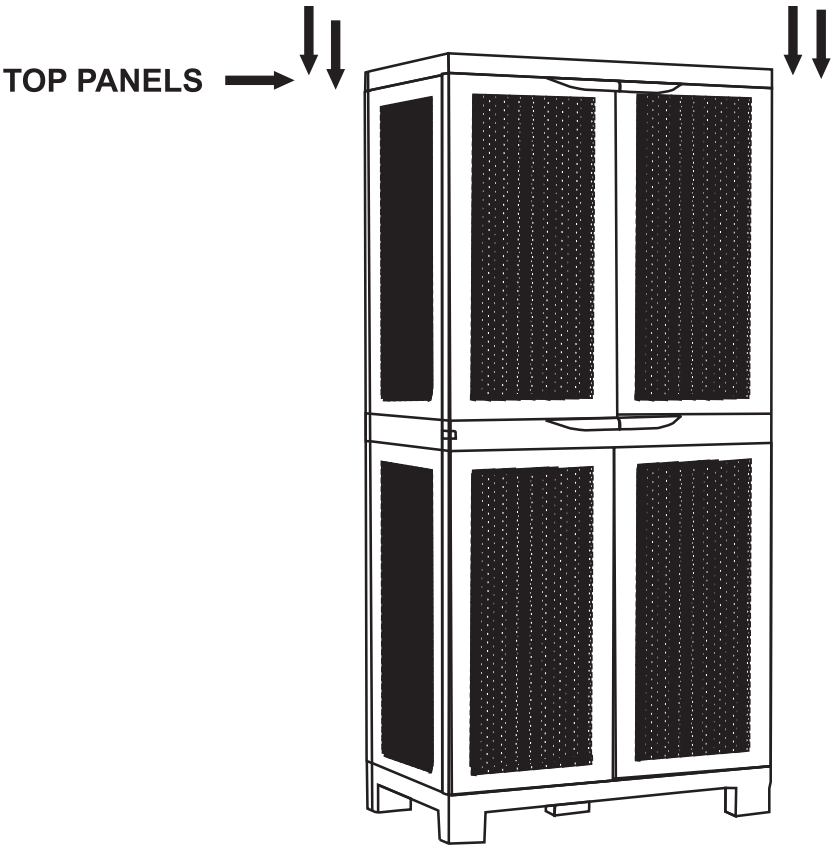

Step 7: Similarly, Insert the top Side panels to the Connector and push the panels downwards.

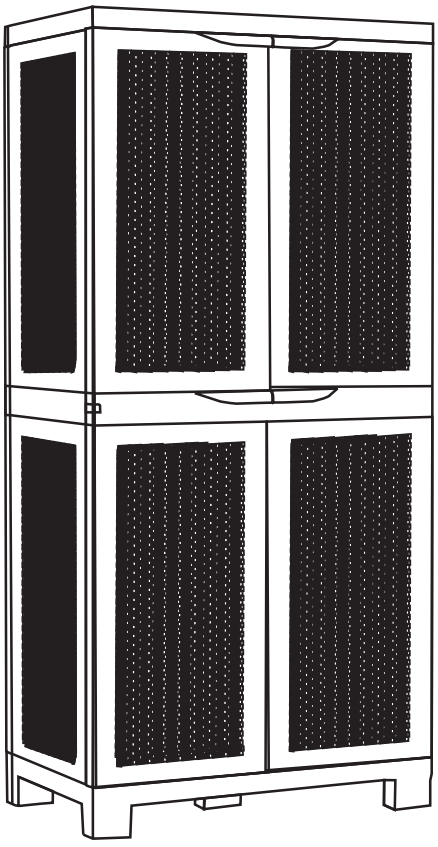

Step 8: Now, fit the door assembly by locating pivot in holes of Bottom panel.

Step 9: Similarly, Insert the top Door panels by locating pivot in holes of Bottom Door panel.

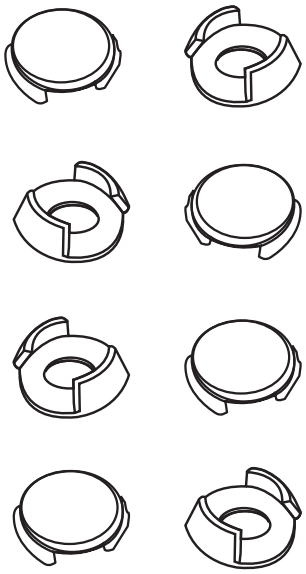

Step 10: Now, insert the Top panel by locating pivot in holes of Door, Side and Back panels respectively.

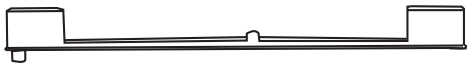

Now the Liberty Big Cabinet is ready for use.
